6. Reports from County and District Councillors, and Police, if attending

6.1 NCC Cllr Strong. Cllr Strong had advised attendance at a NCC meeting and had sent a report. The report gave information about devolution for Norfolk and Suffolk. It had been decided to engage all of Norfolk's and Suffolk's residents in a consultation on devolution to 19 August. The outcome of the consultation will be submitted to the new Secretary of State in early September to consider whether to proceed with the establishment of a Mayoral Combined Authority for the two counties. For further information eastangliadevo.co.uk. A decision to reduce the frequency of rural verge cutting on straight roads to every other year has been reversed. The work will take place during the scheduled second annual grass cutting in July and August. At this

time of the year the wild flowers have flowered and seeded and it is believed birds will no longer be nesting by the roadside. An evaluation of cutting will take place before the start of the new grass cutting season next year. NCC were yet again undertaking the Parish Partnership 50% funding scheme. The 2016/17 successful schemes are now underway and invitations to make bids for 2017/18 have been issued with a bid deadline of December with approvals next March.

6.2 NNDC Cllr V Fitzpatrick. An electronic report had been forwarded and was summarised by the Parish Clerk. NNDC had decided not to back devolution (later in the meeting Cllr Fitzpatrick advised that this was because of concerns about funding and the creation of another layer of bureaucracy.) The Local Government Boundary Commission was conducting a review on NNDC. It was likely that there would be a recommendation to reduce the number of members from 48 to 40. Fakenham Sports and Fitness centre had been named Leisure Centre of the Year. Fly tipping should be advised to ep@north-norfolk.gov.uk The annual NNDC Greenbuild event was taking place at Felbrigg Hall on 10th and 11th September.
